Description:

The new model ladies in black/silver color combination for recreation and leisure skating in an attractive and very comfortable shape is made from durable synthetic materials including plastic toe cap to increase life time of footwear. Comfortable and cozy footwear provides warm combed lining, which is in the collar of the shoe complete with synthetic leather. The concept of this model is based on a new trend in women's skating with a blade from hockey skates, in this case is used a blade FALCON Carbon with torsional fixation.
