Just for order.

To order and also in black where a minimum order is reached in sizes EUR 35 – 42

Technical parameters:

Recommended use:	for peak and performance figure-skating
Colours:	white
Upper:	strong natural leather with special waterproofing treatment
Lining:	soft CLARINO with excellent utility qualities
Padding:	PE foam MEMORY
Tongue:	anatomical of thick natural leather with padding and lining CLARINO
Sole:	lightweight double from natural leather
Inner lining:	textile with soft foam padding
Recommended care:	after use clean and wash gently with water (not detergents!) remove insole, dry at room temperature and treat with colourless cream and impregnation
Warning:	do not place close to heat sources, could result in damage or destruction!

Used technologies:

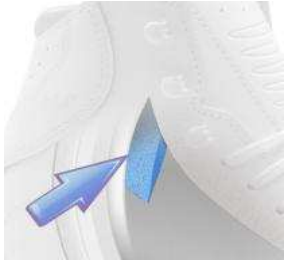

LTT-LAYERS THERMO TECHNOLOGY

Modern technology reinforcing upper for firm support and high degree of protection of foot - special manufacturing technology creates a tough and flexible upper resistant to impact and comfortable for the foot.

SC-STRETCHY CUFF

Soft elastic cuff around calf

TAP-THERMO ACTIVE PADDING

Special MEMORY thermo-active foam padding for rapid adaptation of the footwear to the individual foot shape and perfect fixation of the foot in the boot.

PAS FIT

Anatomic shaping of upper for ankle - For maximum stability and transmission of energy to blade of skate.

W SOLE

Double light-weight sole of natural leather - High stability, torsion rigidity and resistance.

CLIMA AIR

Anatomic tongue - Perfect overall support of instep of foot, optimum climate and high degree of comfort.
